22.68 Kg Bag - CODE: S35082

Solutions that Work®

KEEP YOUR FLOORS CLEAN FROM ICE-MELT RESIDUE

Winter Rinse Away

REMOVES ICE MELTER CHEMICAL FROM CARPETS AND FLOORS

A liquid detergent formulated to remove the white film from ice melt chemicals that deposit at entrance ways. Demineralizes salt deposits on floors. Reduces slip hazards by eliminating the ice melt film which attracts water. Don't let ice melt chemicals dull your beautiful floors.

- Eliminates corrosion of all salts when used regularly
- Eliminates chemical attacks on floor finishes
- Neutralizes salt build up on track-off mats
- Helps to prevent corrosion of door pins and metal thresholds of office entrances
- Easy to use (mop on, mop off)
